

Directions to Camp Alpine from the North

Take State Route 99 W South toward Monroe. Around the 99 mile marker, start watching for the brown camp sign. The other signs are Alsea Falls and Alpine. You will be taking a right onto Alpine Road. You will go through the tiny town of Alpine, remaining on Alpine Road. There will be a fork that is confusing, take the left fork (this keeps you on Alpine Road). The right fork takes you to Foster Road.

After you make the left fork, proceed and watch for mile marker 6. You will see a pink mailbox with a red reflecting triangle attached on the left side of the road which is Camp Alpine's "trademark for turning." You will take a right onto the dirt road. Proceed on this road and take the first left fork that says "Camp Alpine". As you come to the camp, go straight past the missionary house and park in designated parking to the left on Nephi Lane. Head to Helaman Hall to check-in.

Address

25314 Rainbow Creek Road, Monroe, OR 97456
